

XLUXES

Toward your own "ultimate" glowing skin

STEP 1

Remove, provide, and guard.

High-functional cleansing, which gives blissful moment to the skin.

Scan QR code and you can watch the Extheshan massage method videos. (Japanese ver.)

XLUXES Extheshan Massage cleansing W

It is a high-functional cleansing cream that fills the skin with rich beauty ingredients to remain moisture while caring for dry and rough skin. It contains Human Stem Cell Culture Solution² for supporting Total Aging Care^{*1}, BRIGHTENYL^{*3} for providing gloss and shine, Royal Jelly Acid^{*4} for supporting the balance of excess sebum, Berlezza^{*5} for caring band-shaped pores, Argirelox^{*6} for caring facial lines, and Sensityl^{*7} for keeping skin's barrier function. The smooth and rich texture shows excellent performance as a massage cream and leads to firm and glowing skin.

6 Major Ingredients

Human Stem Cell Culture Solution ^{*2}	BRIGHTENYL ^{®*3}	Royal Jelly Acid ^{*4}
Berlezza ^{*5}	Argirelox ^{*6}	Sensityl ^{*7}

Beauty Component Supporting Total Aging Care^{*1}

Total Aging Care ^{*1}	Burnish/ Brightness
●PROLIPHIL F4 ^{*8}	●VITA-HA400 ^{*9} ●Ethyl Ascorbic Acid ^{*11}
●VITA-HA400 ^{*9}	●α-Arbutin ^{*10} ●Ganoderma Amboinense Extract ^{*12}

Transparency

●Detoxy White ^{*13}	●Pycnogenol ^{*16}	●EXO-T ^{*19}
●Fullerenes ^{*14}	●Ambiaty Extract ^{*17}	
●Astaxanthin ^{*15}	●Derma Chlorella ^{*18}	

Firm Skin (pore care)

●PROLIPHIL F4 ^{*8}	●Rona Care ASC-III ^{*21}	●EGF ^{*23}
●AMIPORINE ^{*20}	●DermCom ^{*22}	●Proteoglycan ^{*24}

Smooth Skin

●REVIVYL [®] ^{*25}	●AQUATIDE ^{*27}	●Snow Algae Powder ^{*30}
●Retinol ^{*26}	●Nelura [®] ^{*28}	●EPHEMER ^{*31}
	●EXO-P ^{*29}	

Moisture

●NovHyal ^{*32}	●AquaCacteen ^{*33}	●LIPIDURE ^{*35}
●VITA-HA400 ^{*9}	●Alps Glacier Water ^{*34}	●Squalane ^{*36}

Incense tone: Aroma of damask rose ^{*37}

How to Use

Cleansing

Take an appropriate amount (3 - 4 pushes) of cleansing on your dry hand and rub it to your makeup. When stains come up, press them down lightly with tissue paper and so on, and then wash your face.

Massage

Take an appropriate amount (4 - 5 pushes) of cleansing on your dry hand and spread it onto entire face except your eyelids and mouth. Wash away cleansing with water or warm water after massage.

STEP 2

A beauty essence facial cleanser,

which provides graciousness and luxury at the same time.

XLuxes Extheshan Cream Wash W

Formulated with plenty of high-quality beauty ingredients with a focus on moisture and firmness. It contains Human Stem Cell Culture Solution² for supporting Total Aging Care^{*1}, BRIGHTENYL^{*3} for providing gloss and shine, Royal Jelly Acid^{*4} and Miniporyl^{*38} for supporting the balance of excess sebum and pore care, Liftonin-Xpress^{*39} for supporting firm skin and Sensityl^{*7} for keeping skin's barrier function. The dense and creamy foam leads to firm and glowing skin by wrapping it gently.

6 Major Ingredients

Human Stem Cell Culture Solution ^{*2}	BRIGHTENYL ^{®*3}	Royal Jelly Acid ^{*4}
Miniporyl ^{*38}	Liftonin-Xpress ^{*39}	Sensityl ^{*7}

Beauty Component Supporting Total Aging Care^{*1}

Total Aging Care ^{*1}	Burnish/ Brightness
●PROLIPHIL F4 ^{*8}	●VITA-HA400 ^{*9} ●Ethyl Ascorbic Acid ^{*11}
●VITA-HA400 ^{*9}	●α-Arbutin ^{*10} ●Ganoderma Amboinense Extract ^{*12}

Transparency

●Detoxy White ^{*13}	●Pycnogenol ^{*16}	●EXO-T ^{*19}	●Diatomaceous Earth ^{*42}

Incense tone: Aroma of damask rose *74

How to Use

In the morning / evening, after washing and tapping face with lotion etc., take an appropriate amount (pearl size) of this cream, then spread it over entire face.

Daily luxury skin care with a mask
which covers up to your neck.

XLUXES Extheshan 3D Serum Mask

This mask contains plenty of beauty components such as Human Stem Cell Culture Solution*2 W3 Peptide*59, Snow Algae Powder*30 etc. which support the production of collagen, elastin and hyaluronic acid from inside and enhance skin power. This mask fits not only to face but also to your neck where is easy to appear the age and gives firmness to a skin. One sheet of this mask package can complete a luxury skin care.

3 Major Ingredients

Human Stem Cell Culture Solution*2	W3 Peptide*59	Snow Algae Powder*30
------------------------------------	---------------	----------------------

Beauty component supporting 3 major ingredients

Aging Care*1	Brightness
<ul style="list-style-type: none"> ●EGF *23 ●Dragons Blood *96 ●Fullerenes *14 	<ul style="list-style-type: none"> ●Ethyl Ascorbic Acid *11 ●Sodium ascorbate ●Arbutin
Moisture	Firm Skin
<ul style="list-style-type: none"> ●Derma Chlorella *18 ●Argan Oil *54 ●3 kinds of Hyaluronic Acid *97 	<ul style="list-style-type: none"> ●Ceramide Mix *98 ●Soluble Proteoglycan ●Sambucus Nigra Flower Extract

Incense tone: Aroma of damask rose *99

How to Use

- STEP 1 After washing face, take out a mask from the package and spread and attach the mask from your chin so that a mask's center line overlaps with a centerline of your face. Hold the mask with your palm lightly and paste it on entire face.
- STEP 2 Cut out a certain part connected to both cheeks and adjust by wrapping sheets. A close feeling with the mask will be enhanced.
- STEP 3 Then, 10 or 15 minutes later, pull off the mask and rub the serum which is left on your face with your hand.

Extheshan Massage Cleansing W

Extheshan Cream Wash W

Procare Reverser Serum W

Moist Rejuberater W

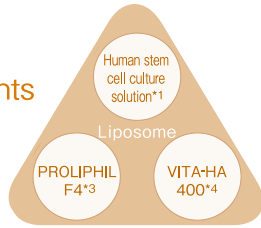

Cellrecober Cream W

Human stem cell culture solution*1 refers to;

A lot of growth factors (Growth promoting factor) are included in the secretory fluid secreted when cultivating stem cell. It is said that the fluid makes hyaluronic acid, collagen and elastin more powerful, and its various effect to support Aging Care*2 are confirmed. Serum, lotion and cream, as a matter of course, adding the culture solution to cleansing and facial wash which remove dirt also acts by infiltrating into skin. Skin feeling which has never been considered by conventional aging care*2 is aimed.

Inclusion of 3 High
Functioning Components
into High Penetration
Liposome Capsule

High Penetration Liposome Capsule

Making liposome refers to the wrapping of beauty component with skin-familiar ingredients like a capsule. Herewith, even the penetration difficult beauty component is fed to the back of skin*5 and the action for long time becomes capable. This is the nano-technology attracting attention as a new delivery system in various fields such as medical industry and beauty industry.

Extheshan Massage Cleansing W

Extheshan Cream Wash W

Procare Reverser Serum W

Moist Rejuberater W

Cellrecober Cream W

BRIGHTENYL®*6

This is the skin tone up component using its working by taking microbe of skin (resident microbiota) into account. It acts onto all factors which cause skin color shading and cares light damage, skin tone shading, rust and Browning*7. This is the attention component to straighten bright and no shading skin color. BRIGHTENYL® is the trademark of Induchem company.

AQUATIDE®*9

This pays attention to the damage due to abnormal mitochondria. This is the skin damage care component by 3 step (guard, caring and maintaining) for reducing stresses. This is the biomimetics next generation peptide and brings out "Skin Cycle" to care skin damage quickly.

Royal Jelly Acid*11

Plant (castor bean)-derived Royal jelly ingredient, which supports the balance of excess sebum, makes pores inconspicuous and care for blackheads to keep smooth skin.

Rona Care ASC - III*13

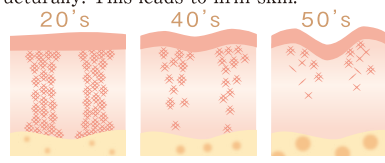

This supports by selecting soft type III collagen (baby collagen) which engages the skin elastic force. This produces thick skin elastic force.

Miniporyl*16

These cares band-shaped pores with 3 in 1 effect which approaches to different causes of cornification normalization, sebum secretion adjustment and tightening.

Elapiller*19

The component which is contained in the new sprout of asparagus extract acts on the base of pillar structure which supports the face skin shape and builds up skin structurally. This leads to firm skin.

Fibers are going around and supports skin firmness.

Elastic column deteriorates and sagging is caused on the surface.

ELHIBIN-PF*14

Attention is paid to the elastase which largely engaged to the deterioration of elastic fiber (elastin) which supports skin tone and firmness. This protects elastin from damage due to ultraviolet rays etc.

Berlezza*17

"Decorin" which keeps skin firmness by bunching collagen fiber in thick shape is the protein which deteriorates both quality and quantity due to aging, ultraviolet rays, etc. These cares band-shaped pores by supporting the generation of its decorin and collagen. This leads to the tightened and firm skin.

Detoxy White*8

The component contained in the new sprout of peppercorn makes double approach to Dullness*7. This cares the Dullness*7 at the beginning and breaks up grown Yellowing*7, and brings out bright skin color.

NovHyal®*10

This is the beauty component to power up skin hyaluronic acid which is said as "Needle-free Hyaluronic Acid Injection". This fills with moisture from the Back of Skin*5. NovHyal® is a registered trademark of Induchem.

Sensityl*12

Seaweed-derived ingredient to approach the delicate skin, which softens an irritation to the skin, maintains the balance of skin microbe (normal bacterial flora of skin), and keeps the skin's barrier function.

HETEROSIDES*15

Saponin derived from Indian Pennywort cares rough skin due to environmental stress such as ultraviolet rays in various ways. This acts on the beginning of skin trouble and brings out high rough skin care.

Nelura®*18

Attention is paid to the mitophagy which is the selective autophagy of abnormal mitochondria. This supports skin power which deteriorates due to various factors such as aging. This cares damage and supports skin to keep healthy condition, and leads to youthful skin.

PASSIOLINE*20

Derived from passion fruit oil. This supports 3 major skin components (collagen, elastin, fibroblast) for the repair of total skin and connect to build up firm skin.

EPHEMER*21

Brown seaweed gametophyte extract by using world-first Seaweed culture technology is combined and paid attention to mitochondria which is easy to be affected by oxidization. This cares damage and supports natural power of skin. This has both immediate effectivity and sustention, and fulfills long time aging care*2.

*1 Human Adipocyte Conditioned Media Extract(Moisturizing ingredient) *2 Skin care according to age *3 Capryloyl Dipeptide-17(Moisturizing ingredient) *4 Ascorbyl Propyl Hyaluronate(Moisturizing ingredient) *5 up to cornified layer *6 Diglucoyl Gallic Acid(Conditioning ingredient) *7 Old cuticle and dirt *8 Lepidium Sativum Sprout Extract(Conditioning ingredient) *9 Hexacarboxymethyl Dipeptide-12 (Moisturizing ingredient) *10 Disodium Acetyl Glucosamine(Skin Protection ingredient) *11 10-Hydroxydecanoic Acid(Skin Protection ingredient) *12 Phaeodactylum Tricornutum Extract(Conditioning ingredient) *13 Dipalmitoyl Hydroxyproline(Conditioning ingredient) *14 Glycine Soja (soybean) Protein(Conditioning ingredient) *15 Centella Asiatica Leaf Extract(Conditioning ingredient) *16 Trifolium Pratense (clover) Flower Extract(Conditioning ingredient) *17 Citrus Aurantium Bergamia (bergamot) Fruit Extract(Conditioning ingredient) *18 Nelumbo Nucifera Flower Extract(Conditioning ingredient) *19 Asparagus Officialis Extract(Conditioning ingredient) *20 Passiflora Edulis Seed Oil(Emollient ingredient) *21 Undaria Pinnatifida Extract(Conditioning ingredient)
