## ORIGAMI All-in-one face mask

[How to use]

① After washing your face, take out a mask from the package, match up your eyes and mouth and paste it on entire face.

② Then, 10 or 15 minutes later, pull off the mask.

③ Rub the serum which is left on your face with your hand.

\* Please apply a milky lotion or cream as necessary after using the mask although the product has a moisturizing effect.

\* This mask can be used on a daily basis depending on your skin conditions.

## ORIGAMI Eye sheet mask

[How to use]

① After washing your face and apply a lotion on your skin, take a sheet with the tweezers (included with the product), match up your undereye and nasolabial fold and paste it on your face. Keep the sheets on for 10 to 15 minutes and pull off the sheet then.

② Rub the serum which is left on your face with your hand and condition your skin with a milky lotion or cream.

\* This mask can be used on a daily basis depending on your skin conditions.
